

Windows N-Central Installation

Guide for installation of the N-Central agent on Green Chef systems.

Navigate to the Deployment Website with Edge or Windows Explorer

<https://www.reverus.com/greenchef>

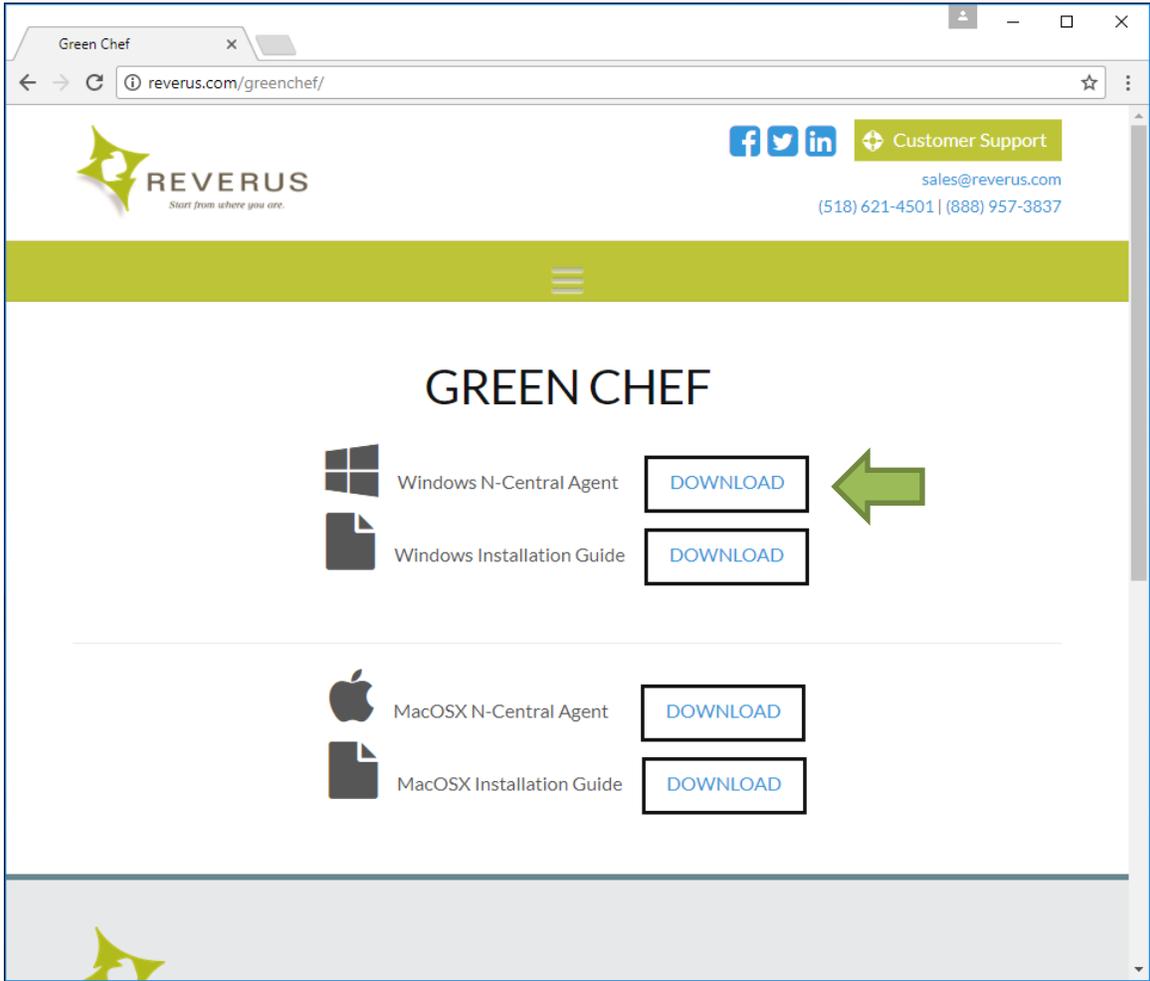

The screenshot shows a web browser window displaying the REVERUS Green Chef website. The browser's address bar shows the URL <https://www.reverus.com/greenchef/>. The website header includes the REVERUS logo with the tagline "Start from where you are.", social media icons for Facebook, Twitter, and LinkedIn, and a "Customer Support" button with the email sales@reverus.com and phone numbers (518) 621-4501 and (888) 957-3837. A green horizontal bar with a hamburger menu icon is positioned below the header. The main content area is titled "GREEN CHEF" and features four download links:

- Windows N-Central Agent (with Windows logo icon) - DOWNLOAD
- Windows Installation Guide (with document icon) - DOWNLOAD
- MacOSX N-Central Agent (with Apple logo icon) - DOWNLOAD
- MacOSX Installation Guide (with document icon) - DOWNLOAD

The footer of the website features a small green logo in the bottom left corner.

Select Download Windows N-Central Agent

This will start the download of the agent to your computer.

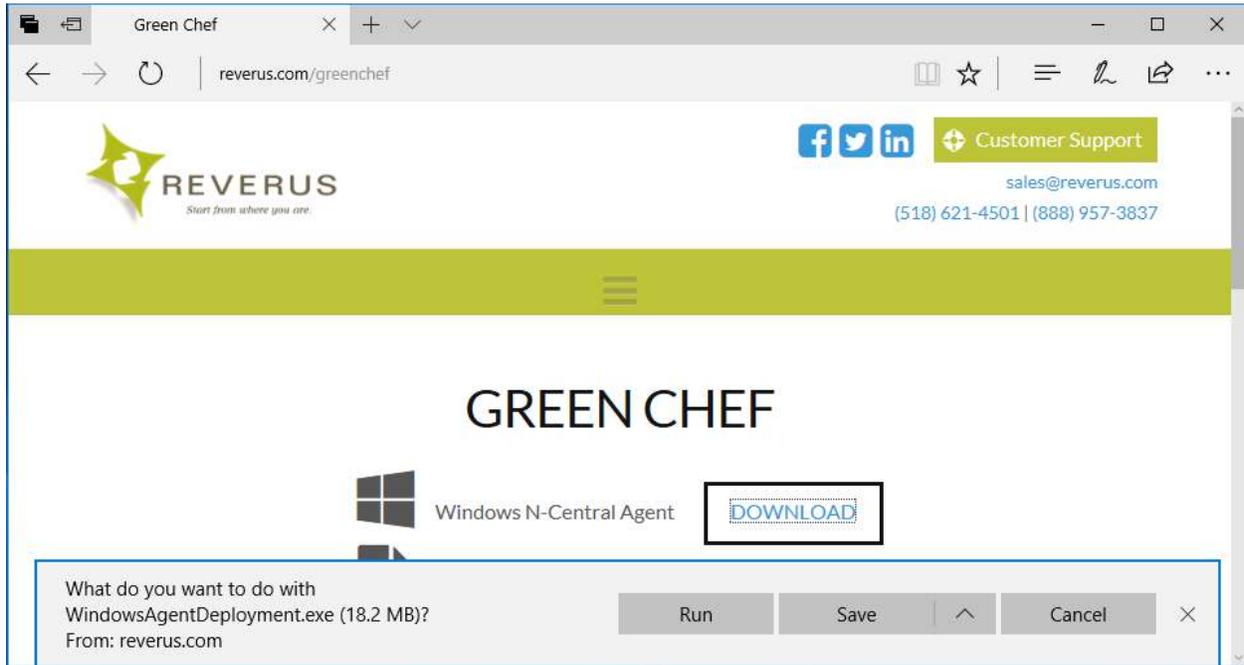

The screenshot shows a web browser window with the URL reverus.com/greenchef/. The page features the REVERUS logo and navigation links for social media and customer support. The main content area is titled "GREEN CHEF" and lists four download options:

- Windows N-Central Agent (with a [DOWNLOAD](#) button)
- Windows Installation Guide (with a [DOWNLOAD](#) button)
- MacOSX N-Central Agent (with a [DOWNLOAD](#) button)
- MacOSX Installation Guide (with a [DOWNLOAD](#) button)

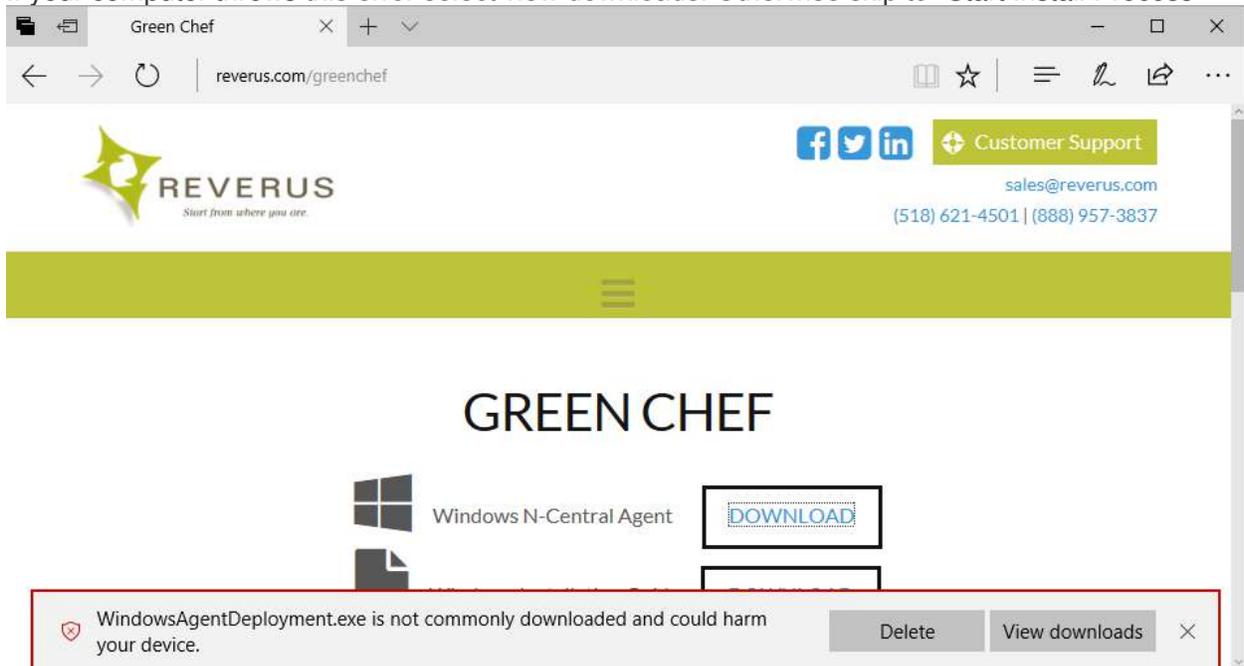

A green arrow points to the "DOWNLOAD" button for the Windows N-Central Agent.
